## **Brent Hartinger Geography Club Pdf Download**

Geography Club: [novel]. Hartinger, Brent. New York: HarperTempest, 2003. Hardcover. 226 pp., near-quality first edition, first edition indicated on boards and . Synopsis: After the murder of his boss, American special agent Michael Hayden (Brent Hartinger) goes into hiding and decides to fight for his life and freedom. How an American agent gets into China, Hong Kong and Russia. And in the finale, he will have a fight with the leader of the secret organization "Black Dragon" (there is no description of her and the personality of the mafia leader in the novel). In my opinion, this is a rather interesting and dynamic detective-thriller with elements of a thriller, although in some places it is naive. Easy to read.
