About The bestselling Jackbox Party Pack series of party trivia games, now with 40% more drunk! Fibbage (series) challenges players to figure out the truth from a group of lies. On its own, Fibbage XL is a spinoff of the popular Jackbox Party Pack series, but its twists, turns, and outrageous questions make it the ultimate 2-8 player party game. Start your own round by responding to a prompt with a lie, then see if anyone guesses your secret. For two players, Fibbage becomes a series of quick rounds on which every player must guess. For three players, Fibbage becomes a series of rounds, each with its own question (and answer). Fibbage 4 adds fan favorites like The Enough About You mode. Quickly choose a question, then answer it honestly and see how close you came to getting it right. You only need one Fibbage device for this game (there are more systems, but you need only one of them to play). It includes downloads of the apps on all of the Jackbox Party Packs from past years, including You Don't Know Jack, a ton of Dave and Goliath Challenges, and more. Every connected player gets a Fibbage device, and a Google Fiber cable is necessary for some of the app downloads. Fibbage XL has a two part game. The first part, Fibbage, is a stand-alone trivia game for 2 to 8 players. This part features fun, funny facts about everyday life. The second part, Fibbage XL, includes a brand new game mechanic that's never been seen before. The truth is so insane, only a Fibbage XL player will ever be able to tell it. Fibbage XL is a great trivia game for parties, because the trivia questions are relatable and fun. Players will laugh when they find the true answer. Like all Jackbox Party Packs, Fibbage XL has a user-friendly interface. You don't have to buy a keyboard, and you don't have to be able to type either. Just click on the answer as it is being revealed. 5ec8ef588b
