The Purpose of Degree Certificate Attestation

It is quite common that you might get doubts regarding the purpose of attesting your Degree or any other educational certificate especially if your educational degree is from an internationally reputed organization in the UK. Well, the countries outside the Hague Convention demand attestation to prove the authenticity and validity of the certificates following the prescribed guidelines. When you are graduated from an institution outside the territory of Qatar, the authorities of the country cannot be assured of its authenticity. Hence they have prescribed a set of procedures to be carried out to prove its originality. By carrying out the instructed procedures the officials of Qatar as well as the organizations or the higher educational institutions of Qatar can verify your educational qualification using the approval from their national authorities.
